75mm

**14x**

65mm

1

1. Place table top upside down and bring legs to table top cleats.
2. Attach legs to table top closures using 2x75 mm structural screws.

2

8. Place diagonal braces to sit flush onto leg assemblies and screws using 65 mm decking screws

3

2 x 65mm decking screws through the diagonal brace into the front closure (do not screw into table top)

4

Turn the table on its feet

5

Slide the shelf in. Attached the rack from the top of the slats using 4 x 75 mm Screws

6

Attach the leg cross braces using 4 x 65mm screws on each leg
